

los fructions so

Use this chain display/ holder to protect your chains and soft necklaces from tangling while packed during traveling and as a beautiful necklace display at your travel destination.

THIS PACKAGE CONTAINS 2 DISPLAYS

- Long (which holds 2 to 4 longer chains and necklaces) on page 2

- Short (which holds 4 to 8 soft bracelets and anklets) on page 3

PRM the holder size you desire

FOLD along fold lines, fold in half first then fold the like an accordion

CUT along the rectangular boxes to create the opening for your necklaces

THREAD each of your necklaces through a corresponding pair of holes. Each pair of holes may hold up to 3 soft necklaces.

To safely pack the necklaces or bracelets while traveling, simply gather the holder's folds and tuck away in your suite case between your clothes.

When you arrive at your destination, just ungather the folds to use the holder as a beautiful jewelry display and never risk tangling or losing a chain or necklace again.
